

2nd PUSH2HEAT Webinar

“EU Perspectives on Industrial Heat Pumps: Unravelling non-technical Barriers and Opportunities”

EU perspectives on industrial heat pumps:
unravelling non-technical barriers and opportunities

November 14, 2023 | 10:00 - 12:00 CET | Teams webinar

Funded by the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Climate Infrastructure and Environment Executive Agency (CINEA). Date and time: Tuesday, 14 November 2023, 10:00 – 12:00 CEST

Videoconference Platform: Teams Webinar

Organiser: European Heat Pump Association

Registrations: 153

Attendees: 93

Background and aim of the webinar:

This webinar was organised in the framework of SPIRIT and PUSH2HEAT, two Horizon Europe projects aiming to foster the decarbonisation of industry through high temperature heat pumps.

The aim of the event is to explore non-technical barriers and opportunities within the heat pump sector, with a specific focus on Industrial Heat Pumps, from the perspective of different European countries.

Speakers

						
Sonia Bianconi European Heat Pump Association	Veronika Wilk Austrian Institute of Technology	Yann Quiquenpois Daikin France	Jonathan van den Berg Netherlands Environmental Assessment Agency	Fabian Bühler Danish Energy Agency	Padraic O'Reilly Technical University of the Shannon	Seamus Hoyne FEDARENE

Agenda

10h00 – 10h05 Welcome and introduction by Sonia Bianconi, EHPA

10h05 – 10h15 The European Perspective by Veronika Wilk, AIT

10h15 – 11h35 The French, Ireland, Dutch, and Danish perspectives

- **10h15 – 10h35** French Perspective by Yann Quiquenpois, Daikin France
- **10h35 – 10h55** Developing the SDE++ - a ‘single-sided contract for difference’ subsidy scheme for sustainable production in the Netherlands by Jonathan van den Berg, Netherlands Environmental Assessment Agency (PBL)
- **10h55 – 11h15** The Danish framework and drivers for industry decarbonisation by Fabian Bühler Advisor at Centre for Global Cooperation, Danish Energy Agency
- **11h15 – 11h35** Preparing for Industrial Heat Pumps in Ireland” by Padraic O’Reilly and Seamus Hoyne, TUS

11h35- 11h55 Q&A

11h55 – 12h00 Closing of the event by Sonia Bianconi, EHPA
